WELCOME TO WHEELBASE.

Never before have so many of us been taking to two wheels in the pursuit of health and fitness. Cycling is fun! Cycling is easy! Cycling is 'green'! Over the past few months the Wheelbase team has been extremely busy here in the Lake District, preparing this collection of equipment, accessories and unusual gifts for the discerning cyclist. Each and every one of the products on the following pages has been tried and tested. We are cyclists ourselves and if we wouldn't use it, we wouldn't feature it. During 1993 we are offering some great free gifts and a super free prize draw. See centre pages for details. We look forward to hearing from you very soon.
